## TRACI FULLER

Head Coach—15th year  
NWAC 2025 Coach of the Year

Thanks for your interest in Red Devils softball. We have a championship program and play against the best competition in the NWAC.

If you're willing to work hard in the classroom, fitness center and on the softball field—Lower Columbia is a great fit for you. We are LC proud!

*Traci Fuller became head softball coach at LCC in 2011 and has led the Red Devils to 376 wins over 14 seasons and 13 NWAC Championship tourney berths.*

*The 2025 Red Devils are the first-ever NWAC team to go undefeated, at 48-0 and won the NWAC Championship. LCC placed 3rd in the 2024 NWAC championships and took 2nd place in the 2012 and 2018 tourneys.*

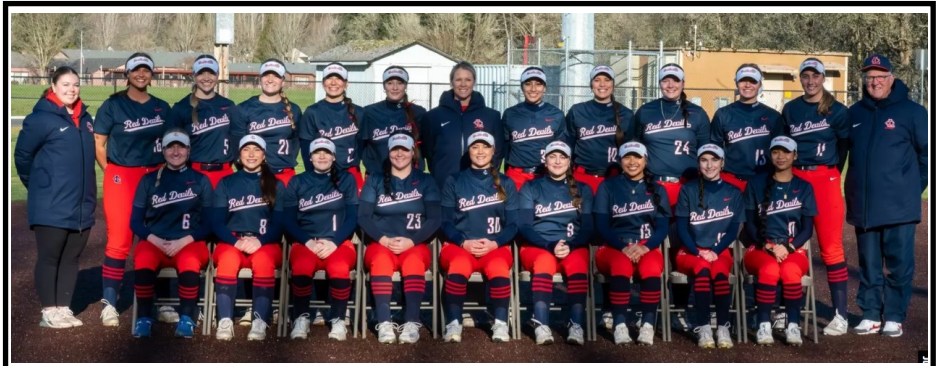

*Coach Fuller is an Academic Advisor at Lower Columbia, helping Red Devil student-athletes with their academic planning.*

*She graduated from Oregon State in 2002, where she was a catcher for the Beavers for four seasons. She played in four NCAA regional tourneys and earned a PAC-10 Player of the Week honor. She also spent an undergraduate season as bullpen coach for Oregon State and coached the Beavers in NCAA championship play.*

*Prior to coming to LCC, Coach Fuller coached four seasons at Skyview HS (Vancouver, WA), where she was named Coach of the Year and led the Storm to a State 4A top-four finish. In 2005-06 she was an assistant at Portland State, helping the Vikings set school records for wins, home runs and batting average. During that time PSU earned Coaching Staff of the Year honors, won a league title and played in the NCAA Tournament.*

**RED DEVIL SOFTBALL: Come make it the best two years of your life!**

## 2025 RED DEVILS—48 wins, 0 losses First Perfect Season Ever in 46 years of NWAC Softball

**NWAC best in many offensive and pitching categories!** In 2025 we led the entire NWAC in batting average (.443), RBI (559), home runs (102), sacrifice bunts (41) and stolen bases (115). Our offense led the NWAC in runs scored (598), while our pitching staff allowed the fewest runs (93), posted an earned run average of 2.05 and had 393 strike outs—all conference bests. Defensively we led the NWAC with just 22 errors in 48 games (.978 fielding percentage).

**We hit the classroom and study table, too!** Our athletes work hard in the classroom, with a goal to earn their AA degree in two years. **Our 2024-25 team GPA was 3.30** —with 15 of our players making the President's or Dean's list.

**Get Stronger & Faster** The Red Devils start their day at 8:00 a.m. working out as a team at the Stoller Athletic Center fitness facility – with state-of-the-art equipment, climbing wall, workout studio and Myklebust Gym. We put in the work!

**Our Home Field** Heerensperger Field at Tam O' Shanter Park in Kelso is our home field, with an artificial turf infield for year around play. For practice we also utilize Story Field on campus and the Kelso Kage indoor facility. **Our new on-campus hitting facility will open during the 2025-26 season.**

**Competition Makes You Better** We play in the NWAC's tough South Division. In recent off-seasons we've scrimmaged many four-year schools, including Oregon State, Lewis & Clark, Central Washington, Oregon Tech, Seattle University, St. Martin's, Eastern Oregon and Warner Pacific.

**Serving our Community** The Red Devils take part in the United Way's Day of Caring. This fall we spent a day landscaping at several low-income homes in Kelso.

### Benefits of a two-year program

Lower Columbia offers an affordable, quality education to help start you toward a Bachelor's degree. Undecided on a career? You can explore different subjects before committing to an academic program.

### Roster size—playing time:

We typically carry a roster of 18 freshmen and sophomores, so you don't compete against juniors and seniors for playing time. Many schools have 25+ players on their rosters, making playing time more difficult for underclassmen.

### Affordable education

Admission is open and financial aid and scholarships are available. Students save substantially by attending their first two years at Lower Columbia College (as shown below), before moving on to a university.

### College Cost Comparison

We are often asked about the cost of attending Lower Columbia vs. 4-year schools. Here are a few examples, all which are estimated:

School	Tuition, Fees, Books	Annual with living costs
Lower Columbia (WA resident/OR border)	\$5,400	\$16,000
Lower Columbia (out-of-state)	\$6,700	\$17,700
Central WA (NCAA D-2)	\$10,000	\$26,400
Warner Pacific (NAIA)	\$23,500	\$37,100
George Fox (NCAA D-3)	\$44,000	\$59,000
